**Selection Process:** The Provost will assemble one Teaching Awards Selections Committee to review all teaching award nominations. The Provost will request multiple nominations from each academic unit and the Faculty Senate each spring to replace any vacated seats. The Provost selects committee members from all nominations received. The Selections Committee will consist of one faculty representative from each academic unit, and two Faculty Senate representatives; Provost will appoint committee Chair. Selections Committee members will serve three-year, staggered terms. The Selections Committee will meet at least once annually to review all nomination materials, meeting as often as necessary to determine the most qualified recipient based upon the guidelines above and submit its recommendation to the Provost prior to December 31. The Provost and Chancellor will make the final decision based upon the committee’s recommendations. The Chancellor will announce the award recipients at a spring semester award ceremony. The Selections Committee may recommend that outstanding but unsuccessful nominations be carried forward for one or, in exceptional cases, two years. Such nominations could be updated if the nominator so chooses, but this is not required. In such cases, the nominators should be notified.

Provost will assign a non-voting staff coordinator to accept, assemble and distribute nominations materials, coordinate committee meetings, track award details for website posting and communications announcements, order commemorative plaque, and obtain award check for presentation to recipient.

**Award Date:** Award must be presented prior to April 30.

**Recognition:** Recipient will be recognized on the UMKC Awards website, and presented with award check and commemorative plaque at appropriate UMKC awards event.
