Knowledge, Understanding, And Wisdom (KUAW) radio

Radio Station Internship

KUAW low power FM radio is licensed to the Black Family Technology Awareness Association (BFTAA). BFTAA and the W.E.B. DuBois Learning Center partner to operate the radio station at the W.E.B. DuBois Learning Center building 4510 Linwood, Kansas City, MO. Broadcasting community news and information, youth radio projects, educational programs, and entertainment.

The interns will work directly with the program director to help the station develop programming for future shows on the radio station. The intern will also write and research stories for broadcast on various topics, health, community affairs, political issues, education, and entertainment. The Intern should be creative, and a self-starter. This is a small station so other opportunities including on air time may be available. Some duties for the interns are listed below.

INTERN WILL LEARN AND BE EXPOSED TO:

- Live radio station broadcasting environment
- Writing stories by deadline
- Creating, planning, and producing radio shows

RESPONSIBILITIES:

- Work closely with Station Manager/Program Director
- Research stories
- Assist show host as directed
- Social Media/Website

QUALIFICATIONS:

- Creative writer, good people skills, and outgoing personality
- Task oriented

SCHEDULE AND COMPENSATION

- Radio station is on every day and the schedule may require some day and evening work
- This is not a paid internship, and Intern must furnish own transportation.
