

**UMKC TRUSTEES' FACULTY FELLOW AWARD
and
N.T. VEATCH AWARD FOR DISTINGUISHED RESEARCH AND CREATIVITY**

Applications due February 24, 2023

GUIDELINES

The UMKC Board of Trustees has established the UMKC Trustees' Faculty Fellowship awards and UMKC established the N.T. Veatch award from an endowment from Mr. N.T. Veatch of Black and Veatch. Through these Faculty Awards, UMKC and the UMKC Trustees are recognizing the very best faculty, who have distinguished themselves through scholarship and creativity. The recipients are expected to serve as role models and to mentor and encourage other faculty members and students in pursuit of academic excellence.

The guidelines and policies for these awards are as follows:

A. CONTROLLING CRITERIA

UMKC Trustees' Faculty Fellowships are awards to honor the most distinguished faculty members at UMKC. The Faculty Fellow Award and the Faculty Scholar award will alternate years for respective nominations.

The purpose of the **Faculty Fellow Award** is to honor established UMKC scholars for a sustained nationally and internationally recognized record of research and/or creativity. Nominees must be full-time, regular faculty members who have been employed by UMKC for at least three years prior to the date of nomination and who have demonstrated exceptional scholarly achievements at UMKC. Curators' Professors are not precluded from applying for the Faculty Fellow Awards; however, the committee will consider prior receipt of a Curators' Professorship as one factor weighing against the awarding of a faculty fellowship. The award will consist of a stipend of \$15,000.

The purpose of the **Faculty Scholar Award** is to recognize faculty members who show exceptional promise for outstanding future research and/or creative accomplishments. Candidates should have demonstrated exceptional scholarly achievements at UMKC for their stage of professional development. These awards will be available exclusively for faculty members at the rank of Assistant Professor who have been employed in this position for at least two years prior to the date of nomination. The award will consist of a stipend of \$5,000. The use of the UMKC Trustee's Scholar award stipend need not be specified, and the recipients are not required to render substantial future service as a condition of receiving the award. **No nominations in 2023.**

The purpose of the **N.T. Veatch Award** is to recognize distinguished research and other scholarly or creative activity accomplished by UMKC faculty. All full-time, regular faculty members who have been at UMKC for at least three years are eligible to be nominated. Review of nominees for the N.T. Veatch Award will be held in conjunction with the review process for the UMKC Trustees' Faculty Fellow and Scholar awards. If the individual is being nominated for the N.T. Veatch Award as well as the Trustees' Faculty Fellow Award, no separate nomination packet is necessary. However, if the N.T. Veatch Award nominee is not submitting for the UMKC Trustees' Faculty Fellow Award, the nominee must submit the same packet as if applying for the UMKC Trustees' Faculty Fellow Award. The N.T. Veatch Award winner will deliver a public lecture at a time convenient to the award winner. The award will consist of a stipend of \$1,000.

B. PROCEDURE

Faculty members are asked to submit nominations of colleagues to their Dean or Director. Nominations will be forwarded to and screened by a Nominating Committee(s) established in the academic units as determined by the Dean or Director. The only stipulation for the nominating committees is that a majority of the committee consist of faculty or academic support staff. The Dean or Director shall also evaluate the nominee(s) by cover letter. The names and nomination packet (see below) of those selected shall be forwarded to the Vice Chancellor for Research and Economic Development.

THE "NOMINATION PACKET" MUST INCLUDE:

1. The UMKC Trustees' Faculty Nominating Form;

There is no limit on the number of individuals who can be nominated from an academic unit for a UMKC Trustees' Award or a Veatch Award and there are no restrictions on the distribution of these awards among divisions, i.e., no academic unit is assured of a minimum or maximum number of awards in a given year.

Individuals who have received a UMKC Trustees' Faculty Award in the past may be re-nominated. However, such nominations will not be considered unless a period of five years has passed since the previous award. The nomination must clearly identify the scholarly contributions since the previous award.

THE REVIEW COMMITTEE

A Review Committee will rank the nominations. The Committee consists of individuals appointed by the Vice Chancellor for Research and Economic Development and will consist of at least one member from among a pool of past recipients of UMKC Trustees' Faculty Fellowship Awards and/or from the UMKC Promotion and Continuous Appointment Advisory Committee. Other members will be selected from the UMKC Trustees' Board of Directors, and from a pool of nationally recognized experts. The Vice Chancellor for Research and Economic Development will serve as the Executive Secretary for the Review Committee. The rankings, and the Committee's appraisal of the candidates, shall be forwarded to the Provost and to the Chancellor for review. The Chancellor shall make final selection of the award recipients.

FISCAL GUIDELINES FOR UMKC TRUSTEES' FACULTY AWARDS

Once an award is made, a PeopleSoft Chartfield will be established by the awardee's fiscal officer. Once this decision has been made, it is irrevocable.
