ENSEMBLE PLACEMENT & SEATING AUDITIONS

All Midwest Honor Band and Orchestra participants are required to play an audition, which will take place following check-in. The results of this audition will determine which ensemble each participant will be placed into, as well as chair placement within that ensemble. 9th-12th Grade participants will be placed into one of three ensembles: Symphony Orchestra, Wind Symphony, or Symphonic Band. 7th-8th Grade participants will be placed into one of two ensembles: String Orchestra or Concert Band.

Woodwind, brass, and string auditions will take place on the UMKC campus at Grant Hall (please see page 1 for more information on location).

Please bring your instrument and prepared piece (*see below*).

Auditions for wind, brass, and string players will consist of two parts:

1. Scales: Each participant will be asked to play up to three major scales (as many octaves as they are able), selected from the following:
C, G, D, A, F, Bb, Eb, and Ab
9th-12th Grade participants may also be asked to play a chromatic scale.
Memorization is encouraged, but not required. Scales requested will be instrument and level-appropriate.
2. Prepared piece: Choose a piece that showcases your musical and technical skills. This piece should be no longer than 2 minutes in length, and may be a standalone piece or a movement/section of a longer piece.
Please be prepared to play without accompaniment.

Percussion auditions will be held on the UMKC campus at the James C. Olson Performing Arts Center (please see page 1 for more information on location).

Please bring snare sticks, keyboard mallets, and timpani mallets. You will not need to bring your drums.

Percussionists should be prepared to audition for each of the following percussion areas:

1. Snare Drum: Sight-read a short piece and perform these three rudiments:
1) Double Stroke Roll 2) Flam Accent 3) Ruff (Drag)
These rudiments are to be played in an open-close-open or fast-slow-fast rudimental presentation. Examples of these rudiments can be found through the Percussive Arts Society.
2. Keyboard Percussion: Sight-read a short piece and perform three scales of your choice from the following list: C, G, D, A, F, Bb, Eb, and Ab.
3. Timpani: Sight-read a short piece and perform a simple tuning test (*high school auditions only*).

ORIENTATION MEETING

All participants must attend an orientation meeting, which will take place in the James C. Olson Performing Arts Center (4949 Cherry St., Kansas City, MO 64110), starting at 6:00pm. This break allows judges enough time to place student into the five large ensembles and assign seating.

Placement and seating results will be announced during the orientation meeting at the James C. Olson Performing Arts Center. The orientation meeting will be held in White Hall at 6pm. Following the meeting, all students will be directed to their ensemble's rehearsal space.

This orientation meeting is for participants only. **Please bring your instrument with you to the orientation meeting – you will need it for the rehearsals that follow the meeting.**

We welcome you to enjoy the city and nearby sights after your audition and before the orientation meeting at 6:00pm. **Participants should plan to eat dinner during this time, as the festival will not serve dinner on Friday evening.** The Country Club Plaza features many restaurants with different styles and price ranges. Please visit their website for more information: <http://www.countryclubplaza.com/>

MEALS

Meals in the UMKC Cafeteria include a buffet, which features deli, pizza, salad, grill, international dishes, and handmade entrées. The cafeteria posts nutrition and ingredient information above each item available, so students with special dietary needs may choose items that meet those needs. Allergies and other dietary concerns listed in the registration forms will be taken into consideration for the off-campus catered meals.

Saturday night's dinner will be a pizza party on the UMKC campus that includes cheese and pepperoni pizzas, salad, soda, and cookies.

All participants must eat meals with their group and chaperones and may not leave the cafeteria to eat elsewhere, unless a parent/guardian has put in a special request to pick-up their child. No food is allowed during rehearsals or concert events.

HOTEL (OPTIONAL)

The number of nominations has rapidly increased in recent years, which has made acceptance extremely selective. We have now grown to a point that no hotels near the UMKC Campus are large enough to accommodate our event! Because of this, **we will no longer require students stay in a hotel as part of the festival.** This allowed us to accept more students than in years past, AND will reduce the total cost (registration, meals, etc.) from \$234 to **\$160 per student** for the festival. However, to accommodate students traveling with their schools from out of town, the Hampton Inn on the Plaza will offer a discounted rate to those participating in the festival of \$128.00 per night.

If you would like to book a room at the Hampton Inn using this reduced rate, you can do so by using the link below or contacting Jessica Mumma, Hampton Inn & Suites Sales Manager at (816) 448-4600 or jessica.mumma@hilton.com.

Please note: **the Midwest Honor Band and Orchestra Festival does NOT provide transportation during the festival. Parents/guardians are responsible to insure participants arrive on time for the first rehearsal of the day, and are picked up at the conclusion of each day.**

MIDWEST HONOR BAND AND ORCHESTRA FESTIVAL RULES

We expect participants who are selected to participate in the Midwest Honor Band and Orchestra Festival to represent themselves and their school in an appropriate manner at all times. Other events are taking place on campus during this weekend, so participants must be respectful and quiet in the hallways and throughout the buildings.

Participants are required to attend all rehearsals, concerts, clinics, and scheduled activities. Participants must cooperate with the supervisory requests of the chaperones and festival staff. Any participant who fails to cooperate will be sent home immediately at his or her own expense

Phones, games, and other similar devices are not allowed during rehearsals or concerts.

Alcoholic beverages, drugs, smoking and vaping are not permitted. There will be a zero-tolerance policy with these infractions; any student caught with these substances will be dismissed from the Festival and reported to the proper authorities.

SAFETY WHILE AT THE FESTIVAL

Participants will be accompanied by chaperones at all times and will not be permitted to walk around by themselves. Rehearsal assistants will be available during rehearsals should students have questions or concerns.

Most chaperones are Music Education majors and are required to take background checks before participating in the festival.

Students should plan to bring their instrument with them to campus each day. Students with large instruments (too large to transport) will be provided a space to store their instruments on the UMKC campus overnight. Students with large instruments should talk to their Rehearsal Assistant once they are at the festival to receive information on storage.
