MISSOURI TEACHING SYMPOSIUM: COURSE REDESIGN, TECHNOLOGY AND SCHOLARSHIP

JUNE 20-21, 2013

Thursday, June 20: 10:00 am – 4:30 pm
Friday, June 21, 2013: 9:00 am – 3:00 pm

HAMPTON INN
COLUMBIA, MO 65201
Off Stadium just south of MU

COURSE REDESIGN
The faculty who lead their campus teams in a recent statewide initiative to redesign high-enrollment courses will present on their courses, and discuss the improvements in student learning and reduction in costs that resulted from the redesign process. The symposium will feature presentations on these courses:

- Intermediate Algebra
- College Algebra
- General Chemistry I
- Human Anatomy
- Basic English
- Spanish I
- Information Systems
- Introductory Psychology
- Oral Communication

INTEGRATING TECHNOLOGY INTO COURSES
Faculty experts who are using technology to engage students for better learning will present on their work. Numerous free and low-cost tools will be demonstrated.

SCHOLARSHIP OF TEACHING AND LEARNING
Faculty from diverse disciplines who engage in the scholarship of teaching and learning will enthusiastically share their experience and the results of their research. The “scholarship of teaching and learning” views teaching as a scholarly activity suitable for research, with the goal of improving student learning. The results of this research are shared publicly through publications and conference presentations.

To attend the symposium, please RSVP to Rhonda Turner (turnerrh@umsystem.edu) by June 12. There is no cost to attend and lunch will be provided on both days.

Lodging is not provided, but a block of rooms is being held until June 1. To reserve a room, call 1-573-214-2222. Rooms are held under “UM System Academic Affairs.”

Questions? Contact Chris Weisbrook (chris@missouri.edu) 573-882-0001.
