EMERITI BENEFITS

The Emeritus College at ASU functions for the Provost Office as a clearing center for Emeriti/ae benefits. A faculty emeritus or emerita need not be a member of the Emeritus College in order to enjoy the following benefits. The Emeritus College office is in Old Main, Room 102. Telephone is 480-965-0002.

1. **Continued use of university services and facilities.** Access to the library, discounts for Gammage events, bookstore purchases, computer purchases (Computing Commons), and athletic activities. For these and other benefits, your ASU Sun Card will be required. You may obtain your new Sun Card at the Sun Card office in the Memorial Union, Room 190, as soon as your emeritus status is made official. Until then, your current ID card will remain valid.

2. **Tuition waivers for self and family.** Tuition waiver forms are available at The Emeritus College. All waiver forms are processed through The Emeritus College.

3. **Athletic Activities for Retired Employees.** Retired ASU faculty and staff members who meet the following criteria are eligible to purchase no more than two (2) reserved seat season tickets at a fee equal to 20 percent off the ticket price:
   
   a. The individual must have been a full-time employee for the five (5) years immediately preceding retirement. Exception: An employee whose full-time service is reduced to no less than 50 percent because of physical impairment or approved leave remains eligible for the program;
   
   b. The individual must be actively receiving retirement pay from an Arizona State University-approved retirement program; and
   
   c. Tickets are available only for the particular sport(s) for which the individual has been a continuous purchaser for the five (5) years immediately preceding retirement.

   The surviving spouse of a full-time employee who has been a purchaser of season tickets may renew seating at a fee equal to 20 percent off the ticket price.

4. **Membership in the Faculty Emeriti Association.** This is an active organization which meets four times a year for luncheon/business meetings. Membership is automatic. Luncheons involve a charge. Information is disseminated through The Emeritus College.

5. **Membership in the Emeritus College.** ASU faculty who have retired with emeritus status are eligible to join The Emeritus College. For information contact The Emeritus College or visit its web site at http://emerituscollege.asu.edu/.

6. **Arizona State University Retirees Association.** Membership in ASURA is open to all retired faculty and staff.

7. **On-campus Parking.** A complimentary parking decal will be available to the retiree only. Decal applications are handled through The Emeritus College. If you anticipate that your visits to campus will be occasional (one to three times per month), we might better serve you by asking you to call The Emeritus College when you will be visiting campus, and we can arrange visitor parking for you on a needs-basis. If your visits to campus will be more frequent, then you may request an emeritus decal. If you are retiring before the end of the academic year and would like to request an interim emeritus decal, contact The Emeritus College. If you are retiring at the end of the current academic or fiscal year, you will automatically receive an application form from The Emeritus College. Disregard decal renewal requests from Parking Services. If you do not anticipate a need for a decal at this time and decide later that you would like to have the decal, this option will remain open to you.

   A surviving spouse may use visitor parking and request a validation from the Provost's Office.

   Parking lots for which Emeritus parking decals are valid will be enumerated in the documentation accompanying the permit. For further information, call The Emeritus College.
