

Notice

This notice is being provided as a result of the filing of an application for permanent alien labor certification for the job opportunity described below. Any person wishing to comment may provide documentary evidence to the Certifying Officer of the Department of Labor, Employment & Training Administration, Harris Tower, N.E., 233 Peachtree Street, Suite 410, Atlanta, GA 30303.

Clinical Assistant Professor in Kansas City, Missouri

DUTIES: Specific responsibilities of this position include pre-doctoral classroom and clinical instruction and postdoctoral classroom and clinical instruction in periodontics. For non-US DDS/DMD candidates with US specialty training and board eligibility in periodontics, an international faculty DDS program is available after an initial period of service. There is opportunity for clinical practice for qualified candidates.

MINIMUM REQUIREMENTS: DDS or DMD (or equivalent) with eligibility for Missouri licensure is required. Alternate Requirements: Master's degree (or equivalent) in Dental Science or closely related field, and board eligibility in periodontics.

Must have proof of legal authority to work in the United States.
