Notice

Pursuant to Section 20 CFR 656.10, you are hereby notified of the intent to file an application for permanent alien certification for the following position:

Clinical Assistant Professor - Orthodontics & Dentofacial Orthopedics in Kansas City, Missouri

Job Duties: Specific responsibilities of this position include administration of the pre-doctoral orthodontic education program, provision of instruction for pre-doctoral dental students and orthodontic residents in the classroom, laboratory and clinic. This department is responsible for the education of pre-doctoral dental students and orthodontic residents, patient care and service in orthodontics and dentofacial orthopedics, and research. For non-US DDS/DMD candidates with US specialty training, a DDS program for international faculty is available after an initial period of service.

MINIMUM REQUIREMENTS: DDS degree. ALTERNATE DEGREES ACCEPTED: DMD or foreign equivalent degree to a DDS or DMD. Applicants must also have a certificate from an Advanced Education Program in Orthodontics/Dentofacial Orthopedics and a commitment to teaching and service. The advertisement also included the following preferred qualifications: Clinical orthodontic experience, a MS or equivalent degree, American Board of Orthodontics certification and eligibility for Missouri licensure.

Must have proof of legal authority to work in the United States.
