Notice

Pursuant to Section 20 CFR 656.10, you are hereby notified of the intent to file an application for permanent alien certification for the following position:

Clinical Assistant Professor - Prosthodontics in Kansas City, Missouri

Job Duties: The faculty member will provide instruction for pre-doctoral dental students. This includes instruction and evaluation of students in removable and fixed prosthodontics, implants, and esthetic dentistry in both the clinic and pre-clinic lab. The faculty member will also provide clinical instruction in diagnosis, treatment planning, and restorative dentistry as needed. Preference will be given to those with significant clinical experience with a strong emphasis on removable prosthodontics. Academic rank, tenure status and salary will be commensurate with qualifications and experience. Qualified candidates may be eligible to participate in faculty practice one day per week.

Minimum Requirements: DDS/DMD degree. ALTERNATE: for individuals with foreign degrees, a foreign 4 year or higher dental degree, satisfactory completion of a minimum 12 month CoDA accredited postgraduate training program in the US, board eligibility in Prosthodontics, and successful completion of credentials required for faculty dental licensure in the State of Missouri.

Must have proof of legal authority to work in the United States.
