Notice

Pursuant to Section 20 CFR 656.10, you are hereby notified of the intent to file an application for permanent alien certification for the following position:

Clinical Assistant Professor - Periodontics in Kansas City, Missouri

DUTIES: Pre-doctoral classroom and clinical instruction and post-doctoral classroom and clinical instruction in periodontics. The position is a 100% benefit eligible, full-time, non-tenure track position and rank will be determined based on experience. This department is responsible for pre-doctoral and dental specialty students, patient care and service in periodontics. There is opportunity for clinical practice for qualified candidates. For non-US DDS/DMD candidates with US specialty training and board eligibility in periodontics, an international faculty DDS program is available after an initial period of service.

MINIMUM REQUIREMENTS: A DDS or DMD (or foreign degree equivalent to DDS or DMD). Successful completion of credentials required for faculty dental licensure in the State of Missouri.

Must have proof of legal authority to work in the United States.
