

## External Relations & Constituent Engagement

### UMKC NEIGHBORHOOD ADVISORY COUNCIL

#### BACKGROUND

The Neighborhood Advisory Council (NAC) is a partnership between UMKC and its surrounding neighborhoods founded on a mutual goal- a vibrant community that serves the needs of those who live, study, and work within its borders.

The NAC represents UMKC's commitment to achieving that goal through collaboration, respect, and the opportunity for collective understanding and impact. UMKC recognizes the NAC as the university's standing organization for neighborhood dialogue with respect to the planning and community relations of the Volker campus. The group's quarterly meetings are open to the public.

#### NAC Membership

Any resident of the nine neighborhoods surrounding the Volker campus are encouraged to apply for membership, with term limits lasting a minimum of two years. Terms are renewable. Service on the NAC does not require that you currently or have previously served your neighborhood in a leadership capacity, only that you desire to do so now.

Additional council membership will be extended to "at large" members representing various community constituent groups including: The City of Kansas City, MO, Rockhurst University, and local businesses.

UMKC has appointed the Director of Community Engagement and Outreach to serve as the staff facilitator and primary point of contact for the NAC and corresponding neighborhood communication. UMKC will invite other UMKC liaisons to attend NAC meetings as observers and/or presenters when appropriate based on positional title or community interest- i.e. Dean of Students, Chief of Police, Director of Facilities and Operations, etc.

#### NAC MEETINGS AND COMMUNICATION

Quarterly meetings are *usually* scheduled from 6:30-7:00 PM on the second Wednesday of the month in March, June, September and December. Changes in meeting time or location will be communicated via email and posted on the NAC website: <https://info.umkc.edu/neighbor>

Additional communication between meetings will be sent via email to NAC Members and is encouraged to be shared as widely as possible to their respective neighborhoods. Communication to UMKC can be sent directly to [umkcengage@umkc.edu](mailto:umkcengage@umkc.edu)
