

Tenure Dates

Identifies Academic Year Portfolio Should Be Prepared and Evaluated

Track Start Date: September 1, always. See note below regarding appointment start dates after September 1.

Mandatory Review Date: June 1 of the portfolio evaluation year (to be entered on PAF). Portfolios should be prepared and delivered to department for review by this date. For example, the Mandatory Review Date for an Assistant Professor appointed on 9/1/2010 with 0 years credit toward tenure would be June 1, 2015.

Notification Dates: Candidates are notified of tenure and promotion decisions by July 31 of the year in which portfolio evaluation is completed. For example, an assistant professor appointed on 9/1/2010 with 0 years credit toward tenure would be notified no later than July 31, 2016.

Extensions: Add appropriate number of years to "Appointed Date" if extension has been granted (maximum: up to two 1-year extensions)

Tenure Granted Date: September 1 following Chancellor notification (or offer effective date if tenure is awarded with employment offer).

	Maximum Probation: 6 Years			Maximum Probation: 4 Years			Maximum Probation: 3 Years		

Note: Fractions of an academic year are omitted. The academic year is September 1 through August 31. If an appointment is September 2 or later, the first academic year counted is the one beginning in the following September. If credit is to be given for a partial year, it must be approved by the Provost and expressly stated in both the Offer Letter and on the Personnel Action Form as credit toward tenure.
