Subject: 2014 Letter of Honorable Mention

Dear Dr. Kevern:

It is my pleasure to inform you that the University of Missouri-Kansas City ASCE Student Chapter has been selected by the Committee on Student Members to receive a Letter of Honorable Mention for its outstanding activities as recorded in the 2013 Chapter annual report. This is recognition received by only the top third of all Student Organizations.

The Chapter's accomplishments reflect the enthusiasm and hard work of your student officers and members, as well as your fine guidance as faculty advisor. You, the practitioner advisors, and every individual who had a part in this endeavor should be justifiably proud of your contributions to the development of the future of civil engineering.

Best wishes for continued success in your future activities.

Sincerely,

Leslie Payne, Aff.M.ASCE
Director, Educational Activities
