## Staff Council Outreach Committee

Throughout the year, the Staff Council Outreach Committee volunteers with a variety of Kansas City organizations, administers clothing, supply and food drives and makes sure that Kansas City knows that UMKC staff care.

In November, the Outreach Committee did a service project with the Kansas City Rescue Mission. Committee member Alexandra Richter shared about the experience, "We took a tour of the facilities which broadened our perspective on the great things that KCRM is doing for the community, and we were glad to help them in return. We cleaned their classrooms, chapel, and dining hall which are key spaces in which KCRM lives out their mission of serving others."

Outreach Committee projects are open to all staff at UMKC, so keep your eyes peeled for notices about our next volunteer opportunity!
