

Staff Council

Welcome from Staff Council Chair Roland Hemmings

In preparing for an exciting and dynamic year, your Staff Council wants you to know that we are ready to SERVE!

As Staff Council chair, I encourage and welcome each of you to get involved. There are several university leadership meetings I partake in to provide staff perspectives on university strategies and policies. Please share your questions and thoughts with me, so that I may share your concerns directly with members of the administration. You can also attend any of our general Staff Council meetings or our committee meetings. See our website for a list of all the events open to staff this year.

On behalf of Staff Council, thank you for all you do to make UMKC an institution of choice for all.

Roland Hemmings
