How to make essential oil candles

In this class you will learn how to make Homemade Aromatherapy Candles. Burning these candles are sure to relax you during these difficult times.

- Soy wax flakes
- Pot to warm wax
- Essential oil
- Natural wicks (anchors optional)
- Mason jars (or jars of choice)
- Wood stirring device
- Pens or chopsticks for securing wicks

If you have the supplies, you can make during the class, or you can just watch and make at a later time. This will be a great way to connect with your UMKC colleagues despite the physical distance that separates us.

Time 45 mins.
