

UMKC Course Workflow

**Workflow Exceptions:*

EUReka (undergraduate research), Writing Intensive, Community Engaged Learning, and General Education courses require additional approval by the respective committees prior to UCC or Graduate Studies review

Non-substantive course edits (course title or description change, minor word change, or typos without any content change) may bypass campus committee review.

Student learning outcomes changes or additions require Assessment review only.

Course inactivation or course deletions that have no catalog or degree audit impact may bypass campus committee review.
