Current Catalog Placement	<p>Students with high school or other foreign language experience are strongly recommended to take the language placement exam, which can be accessed on the Department of Foreign Languages and Literatures website.</p> <p>Students who have satisfactorily completed two years of a foreign language in high school will be exempt from the 110 college-level course and will be required to complete only two additional courses (120 college-level and above) in the same foreign language. Students who completed four years of the same foreign language in high school must complete only one additional sophomore level (211 or above) course in the same language.</p> <p>Students whose education through eighth grade or the equivalent has been in a language other than English and in a non-English speaking country shall be exempt from the foreign language requirement for the CAS degree requirements. Students must bring an exemption form to the Department of Foreign Languages and Literatures for an official signature. Students who cannot document their schooling as indicated above, but who are proficient in all four skills (reading, writing, speaking, understanding) of a language other than English may be able to take a proficiency test. The test should be certified by the American Council of Teachers of Foreign Languages (ACTFL) or a similar accrediting agency. Contact the Department of Foreign Languages and Literatures for information about such exams and the level of proficiency required for exemption from the foreign language requirement.</p> <p>Students will not receive college credit towards a degree for any of the above exemptions. If a student skips over a class, for whatever reason, the student will not get credit as if the class had been taken.</p> <p>Students who have had more than two years of a foreign language in high school may not enroll in the 110-level course of that language at UMKC without specific permission of either the section head/coordinator for that language or the chair of the Department of Foreign Languages and Literatures in cases where there is no course coordinator (i.e., students who have taken three or more year of French may not enroll in FRENCH 110, those who have taken three or more years of Spanish may not enroll in SPANISH 110, and the same for all other languages taught at UMKC).</p> <p>Heritage speakers may not enroll in 110-level courses without permission of the language coordinator or section head for their language, or the chair of the Department of Foreign Languages and Literatures in cases where there is no course coordinator. (Note: A heritage speaker is someone who grows up with a certain family language in the home which is different from the dominant language)</p> <p>Credits earned in HSCP dual enrollment courses in high school count as courses taken in the Foreign Languages and Literatures department</p> <p>UMKC currently recognizes specific scores on the AP and IB foreign language exams to count as credit earned, so these credits would be recognized as fulfilling the first year (110 and 120) of the language requirement. Inquiries may be directed to an academic advisor in the Arts and Sciences Academic Advising Office, 9 Scofield Hall.</p>
ISAO Reivew of HS Transcript - <i>Change in Practice</i>	<p>international students that have attended a HS in the target language, may be exempted from through 211 levels</p> <p>Students will meet with FL Department where prerequisite permission is required.</p>
Seal of Biliteracy - <i>Change in Practice</i>	<p>Students who have fulfilled advanced tasks through a Seal recognized by the state of Missouri will be awarded retroactive credit (specifically 110, 120, 211, 221 level courses) once they have earned a grade of C or better in an advanced (300 or 400) UMKC Language course. Credit by Exam process followed. Additional credit beyond CBE would NOT be applied to the maximum 30 hours of credit by <i>National Standardized Exam minimum scores at or above UMKC requirements For AP. Individual review of infrequent scores reported.</i></p> <p>**Would require Business Process Step to ensure practice. Would be coded as Transfer Credit. Student should enroll in UMKC course within the first 30 hours of enroll to receive retroactive credit. (likely 315 but may be other upper level course)</p>
