Summer Session – John Verssue

April 2 enrollment begins, 6 academic units will participate in the summer session marketing campaign:
A+S, Bloch, SBS, SCE, SON, and SOE.

Presentation – Alia Herrman

Common elements across website for general usability testing

Resources / Cool Tools

E-learning Portal – Andy Goodenow

Portal, once students enter their single sign-on, they are brought to the e-learning site of their
home campus

For all students, not just those taking online courses

Demo is available

March 31 the campus will see the portal
