Announcements

- Alia requested a SharePoint project site (not the web editing software) for the WLG. <https://umkc.sharepoint.missouri.edu/SiteDirectory/WLG/default.aspx>, you will need to logon with your SSO.
- On the SharePoint site is a list of redirects on the main server. Please refer to this list when creating print pieces that include URLs of websites on campus. The shorter the URL, the easier for your audience to remember.
 - Action: If you have a suggestion for a redirect, please email the webmaster (umkcwebmaster@umkc.edu).
- New sites launched: School of Computing and Engineering, Medicine and Admissions apply site.
 - Action: Please update any links from your site to the SCE, Med, and Admissions sites.
- We have made recent changes to the UMKC header and footer.
 - Action: If you have manually coded the header and footer into your website, please update it with the version located at <http://www.umkc.edu/web-policy/downloads.asp>.
- Central Systems announced that we have a new at <http://php.umkc.edu>. The server runs on MySQL. The development server is at <http://phpdev.umkc.edu>.

Library Mobile

- The library site does not automatically detect the type of device accessing it yet. The site will launch this semester and will provide users on-the-go access.
- Currently reviewing Google analytics to determine the types of phones people are using to access the site.

Wordpress Updates

- Offering individual installations - more customizable.
- Install plugins and themes without the help of Info Access office, but you MUST install the updates yourself.
- Domain name does not have to change. 8 or 9 SI, 100 total
- Development server- not used a lot because you can restore your own files
- Work on new themes design, etc.
- Plugin-poll daddy.com-> use independently for WordPress \$30

Media Server

- Both Windows media (.wmv) Flash (.flv) files can be hosted on the video/media server.
- IA can convert VHS or DVD to streaming video.
- For more information, please visit: <http://www.umkc.edu/ia/streaming/>

- Action: Please submit a [video request form](#), and also your video file through the [digital dropbox](#)
